Snow everywhere. A fine sunrise. Postal received from Dr Parry this morning dated San Francisco, Jan 4, says, "We are in the midst of rain and slush. Sun fairly gleaming through the fogs this morning."

Read in Truth Bible, and in Farrar's Bible Teacher, in the forenoon. Chap. XII. V. Took rain coat and went to St John Parish. Jesus anointed at Bethany by Mary. St John Chap. 12, 3 Then took Mary a pound of ointment of spikenard, very costly, and anointed the feet of Jesus, and wiped his feet with her hair: and the house was filled with the odour of the ointment. Then saith one of his disciples, Judas Iscariot, Simon's son, which should betray him, Why was not this ointment sold for three hundred pence, and given to the poor? This he said, not that he cared for the poor; but because he was a thief, and had the bag, and bare what was put therein. Jesus therefore said, Let her alone: against the day of my burying hath she kept this. For the poor always ye have with you; but me ye have not always. Much people of the Jews therefore knew that he was there: and they came not for Jesus' sake only, but that they might see Lazarus also, whom he had raised from the dead. But the chief priests consulted that they might put Lazarus also to death; Because that by reason of him many of the Jews went away, and believed on Jesus. Titus Pomponius Atticus a Roman Knight, fled to Athens for safety and became a Grecian rather than a Roman. Died B.C. 32. Tully - Marcus Tullius Cicero, born B.C. 107, was an Roman Orator. Died B.C. 43 beheaded at Pompey's order in his own grounds. Claudius - Marcus Aurelius Antoninus, Wicked Emp. of Rome. Gun called 11 A.M., Rec'd $2.50 for Missions from O.B.W.F.M.S.

SATURDAY, JUNE 30, 1888

My birth-day. A beautiful day this is. Attended services this A. M. & This P. M. Maj. Clement rode with me while Gus drove Prof. Clark and misses Skinner & Jones to Darien. We had a delightful time on account of lovely air & scenery. Prof. Clark to dinner & tea. What ha year this has been. So full of her rich experiences, yet so full of God's love. It is as though the Funeral Knell & the bells of heaven chimed together all the time. The heart aching over scenes never to be effaced from memory's walls, yet conscious of the ever enfolding goodness, love & mercy of the blessed Trinity.

Such changes in the home circle! Such blackness in prospective, yet such rays of love from the sun of righteousness darting from under the heavy cloud; almost even to the overcoming of one's reading the Spirit to its knees with covered face, overcome with the glory of His love. Oh my God, let me never forget thy goodness for when "all my bones cried out" in anguish of the soul, Thou didst take me to thy loving bosom & comfort me as one whom his mother comforteth, & didst heal all my diseases, & save my dear mother & sister from insanity, & often to me a vision of thy majesty, & love, & power, & wisdom.

Letter from Mrs Reading.
